CLERK, U.S. DISTRICT COURTMICHAEL W. DOBBINS  
CLERK, U.S. DISTRICT COURTCASE Number #

DARRAH, J

ADKISSON VS. C/O

Tedesco

First and foremost my  
Goal Here is NOT to seek

Sympathy Just compassion and  
understanding that my record

may be felt THAT it seems to  
you that I am lacking in

a important area in my life  
which is this case and I

am sorry But it seems to me  
that this system behind these

walls Don't want to let me  
go they violated me not

even a week me going home  
which gave me NO chance

to let the court know I  
was sent to stateville

Facility which went on a

a look down as soon as we  
got there & LT got hit  
so there was no chances  
no movements nothing  
as I have asked the  
courts to appoint me  
a attorney because I know  
nothing about the law  
test my rights so in  
being the courts for  
help in this area  
Q20 - Bond lawyer.

Judge DABRAH please be-  
cause I need to win

this case being victimized  
is something I can't  
live with

I'm asking Judge  
JON ZIMMERMAN  
to represent me in this case
